Dear Parent/Guardian

GCSE Parents' Information Evening

The Curriculum Areas of English, Mathematics and Science are hosting an information evening on Wednesday 14 September 2016 at 6.00pm. The evening will last no longer than 1 hour and aims to share with parents information on the following areas:

- GCSE Examinations, new specifications, including format, structure and the increase in challenge;
- Resources to support students with their revision throughout the GCSE course;
- Effective use of online Virtual Learning Environment and Moodle resources;
- Additional support offered by the Core Faculties;
- The opportunity to speak to teachers of the core subjects.

First and foremost, the aim of the evening is to share information with parents about additional resources available to students to help them to prepare for their GCSE Examinations over the next 18 months. It is also intended to assist them in supporting their child to revise effectively and efficiently, rather than wasting students' time which is very much at a premium.

Please complete and return the reply slip below, by Tuesday 13 September 2016, to the main school office by posting it in to the post box in reception, acknowledging your receipt of this letter and whether you will be attending as places are limited and if you do not wish to attend then your place(s) can be offered to the parents/guardians of another student.

Yours sincerely

Mrs E Gregory
Assistant Headteacher, Teaching & Learning
