

# Bishop Rawstorne Church of England Academy

11 January 2019

Dear Parent/Guardian/Friend of Bishop Rawstorne

As you may be aware, in 2017 Bishop Rawstorne ran a careers' event looking at a breadth of subjects and career opportunities, under the banner "What Next: Focus on the Future". We always planned to run it biannually and it has come around again, as we plan to hold this event again on **Thursday 28 February 2019**.

The aim is to create a Human Careers' Library whereby we invite people, who have jobs across a variety of areas, into school for the day, to share their career experiences with our students. We would like to embrace the expertise of our parents together with other professionals known to us, to provide a wide and varied selection of careers and show our students what a fantastic choice of careers are open to them.

I am therefore asking if you would be interested in and willing to give up some of your time to participate in the event that will run from 9.00am till 1.20pm, aiming to setup between 8.30am and 9.00am. This would involve meeting with small groups of young people so that they could ask you questions about your occupation including what your job entails, what qualifications are needed and so on, in order to raise awareness of the wide variety of options available to them once they leave school, and also to assist them in planning their options whilst they are still here. We are interested in as many different career avenues as you can offer, so long as you are prepared to talk and discuss your career path with our students we will welcome you with open arms.

We would be delighted if you were able to support us in this endeavour and if you are able to attend and happy to be part of the Human Careers' Library, then please fill in and return the slip below to the main school office or alternatively reply by email to [sburt@bishopr.co.uk](mailto:sburt@bishopr.co.uk)

I thank you in anticipation of your support

Yours sincerely

Mrs L Petts  
Curriculum Leader, Science

Mr A Duckworth  
Assistant Headteacher, Careers
